You can make a difference in the lives of blind men and women by supporting Guide Dogs of America

We welcome you to take part in a fundraiser for the Guide Dogs of America in Escondido. This event will be held on **May 12, 2018** at the beautiful Eagle Crest Golf Club. Your contributions help us provide guide dogs free of charge to blind individuals. With the gift of a guide dog, these men and women are better able to pursue their goals, fulfill their dreams, and participate in their communities. Guide dogs not only provide the gift of increased independence, confidence, and mobility, but they also act as a trusted companion providing new opportunities for social interaction. Help make a difference in the life of a blind individual in the form of a loving, four pawed partner today.

Why Give? Guide Dogs of America is a nonprofit organization (GDA Federal ID# 95- 1586088) that is supported by the generosity of individuals, foundations, corporations, and other organizations in our mission to provide loyal and loving guide dogs free of charge to blind and visually impaired individuals.

With the majority of all the funds we receive going directly to program services; you know your money is well spent. We do not receive any funding from local, state, or federal government.

The cost to provide one guide dog to a new blind partner is about \$40,000.00. With the generosity of people such as yourself, we hope to be able to deliver dogs free of charge to the recipients. Your donation will help us fulfill our mission and reflect your own personal desire to help others live more independently with the loving partnership of a guide dog.

Thank you for your time and consideration,

J.P. Fletcher
