## and Guide Dogs of America

### *Why Give?*

*Guide Dogs of America is a nonprofit organization supported by the generosity of individuals, foundations, corporations, and other organizations in its mission to provide loyal and loving guide dogs free of charge to blind and visually-impaired individuals.*

#### **Mission Statement**

*Guide Dogs of America provides professionally trained guide dogs and instruction in their use, free of charge to blind and visually impaired individuals so that they may continue to pursue their goals of independence and greater mobility.*

*With over 90% of all funds it receives going directly to program services, you know your money is well-spent. GDA does not receive any funding from local, state or federal government. The cost to provide one guide dog and match it with its new blind partner is about \$42,000. Your gifts help GDA fulfill its mission and reflect your own personal desire to help others live more independently with the loving partnership of a guide dog.*
