Why Give?

Guide Dogs of America is a nonprofit organization supported by the generosity of individuals, foundations, corporations, and other organizations in its mission to provide loyal and loving guide dogs free of charge to blind and visually-impaired individuals.

Mission Statement

Guide Dogs of America empowers people who are blind and visually impaired to live with increased independence, confidence and mobility by providing expertly matched guide dog partners.

With over 80% of all funds it receives going directly to program services, you know your money is well-spent. GDA does not receive any funding from local, state or federal government. The cost to provide one guide dog and match it with its new blind partner is about \$48,000. Your gifts help GDA fulfill its mission and reflect your own personal desire to help others live more independently with the loving partnership of a guide dog.
