## **Service Dog Application Process**

DETERMINE ELIGIBILITY

Visit website to complete prequalifying questionnaire & watch informational video.

ONLINE APPLICATION
Prequalified applicants
complete and upload
service dog application
and required documents.

VIDEO AND FORMS
Upload video and deliver required forms. Designated contacts return required reference and medical history forms.

SELECTION REVIEW
If selected, applicants will be invited to join the Pre-Approved
Student Pool.

Invitation to Team
Training will be offered
when a student has been
paired with a dog ready for
placement. Notice is given
approximately 4-8 weeks prior
to in-person training on campus.

When application packet is complete, applicant will be contacted for a personal interview with one or more individuals on our client services team. Interviews may be completed virtually, in-person or both.

Pre-approved applicants will be placed in our Student Pool until paired with a service dog in training.

The application process for a guide or service dog varies from client to client but typically can take anywhere up to 6 months.

The wait time to receive a service dog can take up to 2 years.
