An IAM Midwest Territory Event to Benefit
Guide Dogs of America & Tender Loving Canines

The main idea of this Car Show is to provide a venue to enjoy our vehicles in a family-oriented setting and not to split hairs over what should be a class definition or not.

We are car-loving amateurs enjoying our vehicles and trying to raise money for Guide Dogs of America, while having fun at the same time.

CAR SHOW RULES

1. Stock: Means (for our show) can have up to three (3) subtle body/paint mods, can have bolt-on accessories whether stock or not, but must be running stock drive train, engine and interior.
2. Street Rods: Means (for our show) any pre-1949 vehicle with non-stock engines or modified stock engines and/or drive train and suspension.
3. Street Machine: Means (for our show) any post-1948 vehicle with non-stock engines or modified stock engines and/or suspensions, body or interior mods.
4. Pro Street: Means (for our show) any vehicle that emulates a narrowed axle drag car that performs on the street and strip (tubs, roll cage, extensive frame mods, etc.).
5. Muscle Cars: Means (for our show) closely emulating the factory high performance cars of the period with only modest changes or bolt-on accessories.

Why Give?

Guide Dogs of America is a nonprofit organization supported by the generosity of individuals, foundations, corporations, and other organizations in its mission to provide loyal and loving guide dogs free of charge to blind and visually-impaired individuals.

Mission Statement

Guide Dogs of America empowers people who are blind and visually impaired to live with increased independence, confidence and mobility by providing expertly matched guide dog partners.

With over 80% of all funds it receives going directly to program services, you know your money is well-spent. GDA does not receive any funding from local, state or federal government. The cost to provide one guide dog and match it with its new blind partner is about \$48,000. Your gifts help GDA fulfill its mission and reflect your own personal desire to help others live more independently with the loving partnership of a guide dog.
