Guide Dogs of America

The Guide Dogs of America is a 501(c)(3) non-profit charitable organization dedicated to providing guide dogs to qualified visually impaired individuals, sixteen years of age or older.

The cost to breed, raise and train a guide dog is approximately \$48,000.00. All services including guide dog, harness, in-residence training and lifetime follow-up are FREE OF CHARGE to the blind individual.

Since its founding in 1948 by Joseph Jones, Sr., a retired member of the International Association of Machinists and Aerospace Workers, GDA has graduated over 3,000 guide dog teams throughout the United States and Canada. GDA receives no funding from any government agencies. All donations come from individuals, businesses, foundations, clubs and organizations and bequests.

Your donation or bequest to Guide Dogs of America helps continue this legacy of trust, companionship, love and independence without stress.

We, at District Lodge #190, are forever grateful for your continued participation and support.

...specially trained guide dogs, our gift to the blind.
