WHO WE ARE AND WHAT WE DO

Located on a beautiful 7.5-acre campus in Los Angeles, Guide Dogs of America serves a diverse range of individuals from the U.S. and Canada. Our mission is to transform lives through partnerships with service dogs.

We breed, raise, and train guide dogs for individuals who are blind/visually impaired and service dogs for veterans and children with autism. We also place facility dogs with professionals in hospitals, schools, and courtrooms. Our highly skilled canines become trusted companions that increase people's confidence, mobility, and independence.

All programs and services, including transportation, personalized training, room/board, and postgraduate support, are provided at no cost to the recipient. Each guide and service dog team costs approximately \$60,000. All proceeds will directly support GDA operating expenses.

Guide Dogs of America is a 501 tax-exempt organization. Your donation is tax-deductible within the guidelines of U.S. law.
